Invitation For Bid #17-440
Pipe Patch Repair Kits
Addendum #1

This addendum contains revisions, clarifications, and information pertinent to the Invitation For Bid (IFB) for the title project and shall supplement, amend, and become part of the solicitation. All responses shall be based on the solicitation TOGETHER with this Addendum.

Acknowledgment of this addendum shall be submitted with the response. Failure to acknowledge addenda may subject the Contractor to disqualification.

Bids are due **June 15, 2017 at 3:00 PM.**

QUESTIONS:

1. **Question:** Does 13.1 refer to removal and replacement of a failed liner that has been installed?
Answer: The warranty is just for the product, not installation.
2. **Question:** What is the anticipated start date for the ordering of product?
Answer: As early as the beginning of July.
3. **Question:** The IFB specifies the Pipe Patch Product. Would the county accept a price for an equal?
Answer: It is not the County's intent to specify a specific brand of pipe repair product. The County will consider any product that meets the requirements of the specifications of this IFB.

REVISIONS:

1. In Document C "Specifications", section 18.2 "Requirements", ADD "Product must have a 50 year design life".
2. In Document C "Specifications", section 18.3 "WARRANTY" DELETE "three (3) years written warranty on resin, defective resin to be replaced at no charge." and REPLACE with "one year written warranty on resin. If the resin fails the product price is to be refunded".
3. In Document C "Specifications", section 18.3 "WARRANTY" DELETE "fifty (50)" and REPLACE with "one".

CLARIFICATIONS:

1. The product must have a one year warranty and one year shelf life (see revisions section of this addendum).
2. At least three of the five references must be for customers that have used the specific product being bid for a minimum of five years without a history of failures.

Except as noted herein, all terms and conditions of the document referenced, as heretofore changed, remain unchanged and in full force and effect.
